Honorable Charles Grassley
Chairman
Committee on the Judiciary
United States Senate
Washington, D.C. 20510

Dear Chairman Grassley:

This letter requests a hearing with former Attorney General Sessions, whose abrupt departure from the Justice Department puts Special Counsel Mueller's investigation at risk. As the Committee with primary jurisdiction over the Department of Justice, it is critically important that we understand why the Attorney General was forced out of his position.

The Attorney General also has not yet answered all of the Committee's questions about the firing of FBI Director James Comey or Russian interference in the 2016 election. These are important matters, and the Committee has the responsibility to ensure that they are fully examined.

I look forward to hearing from you soon regarding this important request.
Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Dianne Feinstein".
