Mr. Frank Mermoud

Dear Mr. Mermoud:

You served as an advisor to the Trump campaign during the Republican National Convention in Cleveland in July 2016, running the program for ambassadors and foreign delegations – a post that you reportedly held at the recommendation of former Trump campaign manager Paul Manafort. Because of your role at the convention, longstanding relationship with Mr. Manafort, and deep business ties to Ukraine,¹ we believe that you have information that would assist the Committee in its investigation related to Russian interference in the 2016 presidential election. Accordingly, we are writing to request documents and schedule an interview with you in February 2018.

The Intelligence Community has concluded that Russia interfered in the 2016 election, with the goal of undermining faith in our democratic processes and harming Secretary Clinton's candidacy.² As explained in the January 6, 2017 Intelligence Community assessment: "We further assess Putin and the Russian Government developed a clear preference for President-elect Trump."³

The Committee is investigating these matters, and we ask that you provide the following documents in advance of your interview with the Committee. Unless otherwise specified, please include documents from June 15, 2015 to the present:

1. All communications concerning contacts between (a) you, Donald Trump, members of the Trump campaign or transition team, or associates of the Trump
