

United States Senate

May 27, 2022

The Honorable Patrick Leahy
Chairman
Committee on Appropriations
United States Senate
Washington, DC 20510

The Honorable Richard Shelby
Vice Chairman
Committee on Appropriations
United States Senate
Washington, DC 20510

Dear Chair and Ranking Member:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2023 Interior, Environment, and Related Agencies Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Dianne Feinstein
United States Senator

**Feinstein, Dianne(D-CA) Interior and Environment
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Union Sanitary District	To construct a new Main Electrical Service Switchgear and construction of one new aeration basin.	Alameda County CA	\$2,000
Allensworth Community Services District	To install a solar array to power the community's well and appurtenances, thereby reducing the County's costs and improving affordability.	Allensworth CA	\$150
East Bay Regional Park District	To support pre-construction and construction of pond enhancements and nature-based infrastructure improvements at Hayward Marsh.	Counties of Alameda and Contra Costa CA	\$500
Fresno Irrigation District	To construct basins for groundwater sustainability.	Counties of Tulare and Fresno CA	\$2,000
City of Daly City	To support construction of a stormwater management project that will manage, treat, and reuse stormwater in the Vista Grande Drainage Basin.	Daly City CA	\$1,750
Tolowa Dee-Ni' Nation	To construct a wastewater collection system within the mobile home park.	Del Norte County CA	\$1,250
City of East Palo Alto	To fund a consulting firm to create the initial plan for upgrading the city's water infrastructure.	East Palo Alto CA	\$800
City of Hesperia	To install the infrastructure needed to convey new water supplies from the new well to the city's existing water system.	Hesperia CA	\$1,000
County of Inyo	To support an environmental impact assessment, project design, and construction of a water tank storage system.	Inyo CA	\$200
City of Burbank	For construction to upgrade Reservoir 2, the fifth largest reservoir in the Los Angeles County system, to meet current waterworks standards.	Los Angeles County CA	\$2,000
City of Modesto	To support design and construction to replace nitrate treatment equipment and repair or replace a storage tank.	Modesto CA	\$1,750
Napa Communities Firewise Foundation	To remove hazardous standing vertical fuels in Napa County.	Napa County CA	\$500
County of Nevada	To support implementation on 1,200 acres of shaded fuel break initially treated in 2019/2020.	Nevada County CA	\$750
Occidental County Sanitation District	To cover the design, environmental review, and right of way acquisition to build a 4-6-inch sewage pipe connecting Occidental to the treatment plant in Graton.	Occidental CA	\$1,500
City of Oxnard	To systematically replace aging cast iron waterline pipes at risk of failure.	Oxnard CA	\$1,000
County of Butte	To design and construct new infrastructure to resolve the issue of poor drinking water quality for residents in Palermo.	Palermo CA	\$2,500
Eastern Municipal Water District	For the preliminary and final design and construction of aging sewer lines.	Perris CA	\$2,000
City of Pleasanton	To construct a new water well in order to offset the loss in clean water and pumping capability that has been lost due to other wells being decommissioned because of dangerous PFAS chemicals.	Pleasanton CA	\$2,000

San Bernardino Valley Municipal Water District	To improve existing facilities and construct new facilities.	San Bernardino CA	\$1,750
County of San Diego	To fund one-time costs associated with maintaining existing high value fuel breaks, conducting an environmental analysis, and hand crews and heavy equipment to conduct the treatments.	San Diego County CA	\$1,500
County of San Diego	To purchase a twin-engine helicopter to support firefighting.	San Diego County CA	\$3,000
Cachuma Operation and Maintenance Board	To construct, install, and operate a pumping barge and associated equipment.	Santa Barbara County CA	\$1,500
City of Santa Rosa	To design and contract administration of an improved storm drainage along a primary evacuation route for the Roseland Area.	Santa Rosa CA	\$480
Coachella Valley Water District	For the installation of new water mains and to consolidate nine small water systems.	Thermal CA	\$2,250
City of Torrance	To fund the drilling and equipping of three new wells and constructing well housings, as well as modifications to the Border Avenue treatment and storage facility.	Torrance CA	\$2,000
City of Tulare	To construct a water delivery system that will ensure clean drinking water is delivered in an efficient and safe manner to residents.	Tulare CA	\$500
Woodville Public Utility District	To drill and equip a new well.	Tulare County CA	\$1,150
County of Tulare	To purchase and install drinking water kiosks for disadvantaged residents.	Tulare County CA	\$100
Valley Center Municipal Water District	To replace a 60-year-old pipeline which has become an unreliable portion of the Water District's distribution system.	Valley Center CA	\$1,500
Hi-Desert Water District	For materials and construction labor to replace steel pipes and provide more capacity for fire flows and help significantly reduce current water loss due to leaks.	Yucca Valley, unincorporated parts of San Bernardino County CA	\$3,000
