

United States Senate

June 28, 2021

The Honorable Patrick Leahy
Chairman
Committee on Appropriations
United States Senate
Washington, DC 20510

The Honorable Richard Shelby
Vice Chairman
Committee on Appropriations
United States Senate
Washington, DC 20510

The Honorable Chris Murphy
Chairman
Subcommittee on Homeland Security
Committee on Appropriations
Washington, DC 20510

The Honorable Shelly Moore Capito
Ranking Member
Subcommittee on Homeland Security
Committee on Appropriations
Washington, DC 20510

Dear Chairs and Ranking Members:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2022 Homeland Security Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dianne Feinstein".

Dianne Feinstein
United States Senator

**Feinstein, Dianne(D-CA) Homeland Security
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Santa Clara Valley Water District	The requested funding is part of a larger effort to address the seismic instability of Leroy Anderson Dam, which federal and state dam safety officials have categorized as a high-hazard potential dam.	City of Morgan Hill CA	\$5,000
City of Oakland	The requested funding would go towards a Master Plan and Design for the West Oakland Resilience Hub.	City of Oakland CA	\$1,500
City of Torrance	The funding would go towards a project to protect the City of Torrance's data and provide continuity of local government services in the event of a disaster.	County of Los Angeles CA	\$276
City of Torrance	The requested funding would go towards a project to establish and implement a Hybrid Emergency Operations Center platform, improving the City of Torrance's ability to prepare for, respond to, and recover from domestic disasters.	County of Los Angeles CA	\$300
City of Torrance	The requested funding would go towards a project to upgrade the back-up power infrastructure for the City of Torrance's new, stand-alone Emergency Operations Center.	County of Los Angeles CA	\$700
Municipal Water District of Orange County	The requested funding would go towards upgrading the Water Emergency Response Organization of Orange County (WEROC) Emergency Management Program to ensure that it continues to provide critical water and wastewater emergency management services to all of Orange County.	County of Orange CA	\$2,000
City of Chino Hills	The requested funding would go towards a City of Chino Hills project to implement a citywide fuel reduction project to reduce the potential for wildfire and wildfire spread through the removal of fuel hazards in close proximity to residential communities. The project site is comprised of approximately 3,350 acres of City-owned open space, located in the southwestern corner of San Bernardino County, which is an area vulnerable to wildfires.	County of San Bernardino CA	\$565
City of Rialto	The requested funding would go towards upgrading the City of Rialto's Emergency Operations Center.	County of San Bernardino CA	\$950
City of Santa Rosa	The requested funding would go towards upgrading the City of Santa Rosa's Emergency Operations Center.	County of Sonoma CA	\$1,000
